ITALIAN EDITION The warm reception given by students, lecturers and the scientific community to the first edition of Medical Physiology (2005) proved to be a major incentive to make the book even more up-to-date, complete and useful. The general structure of this second edition is exactly the same as the first, whereas important changes have been made to the content of the different sections.

La obra presenta una gran riqueza iconográfica, ya que incluye más de 1.000 esquemas y dibujos esquemáticos a todo color. Como novedad, al final de la obra se ha incorporado una tabla con valores normales de laboratorio, de gran utilidad para una consulta rápida y por tanto una mejor interpretación de la alteración de los parámetros en las diferentes patologías.
