Ford 302/Automatic Swapped: 1963 Volvo PV544. This 1963 Volvo PV544 runs a swapped Ford 302ci V8 and unspecified overdrive-equipped automatic transmission, and though the Dayton wires aren't ideal, overall the car looks pretty good—the color is great for example, and bodywork appears to be in nice shape. The interior has been partially customized as well, and the car should make for a ...

1962 Volvo PV544 Sport. Page 6 Volvo's cast iron B18 and B20 pushrod engines have a reputation of being almost indestructible. Many of those 4-bangers have provided hundreds of thousands of miles of loyal service and the passenger car with the highest recorded mileage in history--Iv Gordon's 2.6-Million-mile Volvo P1800--has been propelled by nothing but a B18. The engine is based on Volvo's ...

Volvo PV544 with a Tank-Sourced 38.8-Liter V12 Is Not Your ...

Thank goodness for black duct tape. There are no images of the engine but research tells us that '61 was the first year for the B18, 1.8 liter, OHV, in-line, four-cylinder engine, good for 75 HP. All we know about this PV544's running prowess is, "It exists and runs with its original parts." Existentialism counts for something, I guess.

Still In The Family: 1961 Volvo PV544 - Barn Finds

A man named Victor jonsson decided to build his own tank monster from a 1960 Volvo PV544 and a 38-liter V12 diesel used in Russian T-55 tanks.
