The user manual is a comprehensive look at the set up, function, and maintenance of the Play:1. It details all of it's specifications and how to care for your Sonos speaker. You can see how to use Trueplay, so that your speaker sounds perfect, and it also tells you how to link multiple Sonos devices together with pairing.

Sonos Play:1 User Manual- Official User Guide

You probably don't need to use the Bridge as the Sonos devices will likely setup and run great on the local routers WiFi signal, but the Bridge will create a SonosNet Wireless network for your Sonos devices and run them exclusively on that signal. My personal preference is to use the Bridge, but the decision is up to you.
