The authors who prove it's never too late to write a book

The publisher emailed me right back (which, if you're a writer, you know is solid gold - so many agents and publishers and editors simply don't respond to writers' emails at all), and said that they felt it wasn't right for them, but they knew a different publisher that might like it and I should send it there. Two amazing occurrences!

The Writing Life

Professional Authors Write a Lot If you want to be a writer, you need to develop disciplined writing habits. Even if you have another day job, if you want to be a writer then writing is your job. If you haven't written today, you haven't done your job.
